Information

1 Main House

A small, homely centre, situated near Ross-on-Wye and just across the river from Court Farm. It started life as a salmon fishing lodge, and is now home to a fantastic assortment of adventure activities.

2 Just for 7-13s!

Hillcrest is our only centre dedicated solely to younger children, and is ideal for a first trip away from home. Our staff love working with younger guests and ensure the atmosphere here is fun, friendly and welcoming.

3 Secluded Grounds

Hillcrest's secluded countryside setting gives children the chance to run around and play on our beautiful lawns - enjoying plenty of open space in a safe and supervised environment.

4 Drummonds Dub

Our beautiful private lake is just a 15 minute coach ride away. In this stunning setting, you can sample a great range of watersports from kayaking to dragon boating, canoeing to raft building.

WHAT CAN I DO HERE?

Although Hillcrest is our 'small and homely' centre, this doesn't mean you'll get any less adventure, as there's 20 different activities to try on land and water, as well as evening entertainment and an indoor activity room.
