2 Dining Room

3 Sports and Activity

Opened by Dame Kelly Holmes, our fantastic purpose built sports and activity hall offers even more great activities - inside and out!

4 Devil's Punchbowl

Marchants Hill is surrounded by beautiful woodlands, and is situated on the edge of the Devil's Punchbowl - a National Trust site and Area of Outstanding Natural Beauty.

5 Bethany House

Younger age groups are mainly housed in our adjoining annexe, Bethany House - once a secluded convent; it now offers our guests their own dining room, shop and separate chill-out room away from our older guests.

WHAT CAN I DO HERE?

In the grounds there are 3 abseil towers, 3 zip wires, 2 low ropes courses, 2 challenge courses, 3 trapezes as well as a giant swing, motorsports track, archery range and a huge multi activity tower.
