Information

1 Osmington Bay

Situated right by the sea, in the heart of the Dorset World Heritage site, the 'Jurassic Coast'. Enjoy stunning views of Weymouth, Portland and Chesil Beach while sampling our fantastic range of activities.

2 Accommodation

Accommodation at Osmington Bay is in comfortable 2-4 bed chalets, all with their own en-suite bathrooms. The chalets have a fantastic position on the side of the hill, and many have views of the sea and coastline.

3 Idyllic Location

Osmington Bay has great outdoor and indoor facilities – set in 45 acres. Many of our activity bases make the most of the idyllic location, and boast beautiful cliff-top views.

4 Private Beach

Osmington Bay even has its own private pebble beach!

5 Great Watersports

Osmington Bay offers a great range of watersports, which take place at the new multi-million pound facility built for the Olympics in 2012, just a short coach ride away.

WHAT CAN I DO HERE?

There are great outdoor activities including high and low ropes courses, abseiling towers, a football pitch and an underground tunnel trail. Plus a new and exclusive activity to Osmington Bay – the chance to sail a keel boat!
